**Importance:** High

We need your agency's active participation and support!!

The Eight Annual Law Enforcement & Private Security Conference (**LEAPS**) will be held on Thursday, September 20, 2007 at the Wilshire Grand Hotel in Downtown Los Angeles. This year's event will entail a tabletop terrorism exercise, facilitated by a nationally recognized expert who was secured by Chief Bratton. The goals are to address the roles and responsibilities of Law Enforcement and Private Security in prevention, the tools they need to interrupt a terrorist plot and how to improve communication between stakeholders.

**The theme of this year's conference is Intelligence Led Policing: Public and Private Partnerships in the Prevention of Terrorism.**

This scenario will include discussions and history of Pre Post indicators to an event, a response to an event and a debriefing. Participants in this year's conference will include multiple agencies, consisting of Federal, State, Local and Private Public Safety First Responders, who will specifically focus on establishing and clarifying the roles and responsibilities of the public and private sector in prevention.

In order to ensure that LEAPS has another successful and educational event, we need you or your agency's commitment to provide a person to represent your agency in the actual tabletop exercise and/or to be a participant in the interactive event debriefing. The ultimate goal of this event will be to come away with new open lines of communication between the Private and Public Safety Communities.

**The pre-event training meeting will be on August 9, 2007 from 0700 to 1200 hours. The location is still to be determined.**

**Please contact me for further information and also to provide the name of the person who will represent you and your agency. Please ensure that the selected person is available for both the August 9<sup>th</sup> briefing and September 20<sup>th</sup> conference.**

We look forward to another successful conference and thank you in advance for your assistance with this important partnership event.

Ken –

I left you a phone message yesterday regarding this year's LEAPS program being held August 7<sup>th</sup> at the Wilshire Grand Hotel. This year's topic will be "Major Emergencies: Before, During and After."

We noticed that last year the BID was a Gold Sponsor for the event and were hoping that you would support this year's event as well. I have attached the sponsorship package for your review and hope the BID will be able to join our group of sponsors.

Please call me directly, at (714) 289-6268, if you have any questions. Thank you –

I saw your announcement about Gordon Graham and thought it was definitely a meeting I didn't want to miss. I've heard his name for many years, mostly as a speaker recommended for the LEAPS program.

I will definitely pass the notice on, especially to downtown members. Sounds like it can apply to any business!

Martha:

I wanted to take a minute and invite you and your BOMA members to our next meeting of the Downtown Security Manager's Association. **Gordon Graham** will be our guest speaker. I don't know if you have ever heard Gordon speak, but he is absolutely dynamic. He is quick witted, funny and entertaining while talking on some very serious and costly issues like risk management.

In the up-coming meeting, Gordon will talk about;

**Why Things Go Right — Why Things Go Wrong:**

An organizational risk management look inside any organization to show what can be done today to avoid/minimize incidents from going wrong. It focuses on the 5 Pillars of a successful organization, and gives the informed listener ideas that can be initiated in the workplace immediately upon return to improve performance. Included in this class are a series of Rules to prevent incidents from going wrong.

This particular topic will play will to property owners and manager throughout Los Angeles. It is right on target with issues facing our businesses today. For more information on Gordon's background see the attached meeting notice or visit;

Folks:

As we roll into the holidays your time is going to be less and less available I suggest we have a planning meeting for our December meeting. We need a topic and a speaker. We have some new members from the Marriott Hotel going in at LA Live. Director of Loss Prevention (Matt Karp) for the JW Marriott and The Ritz Carlton. His boss Jim Kelly is listed below.

Steve I know you are looking for a LEAPS Seminar, so I thought I would offer this up to you.

Mark Hazan, my old General Manager at Citigroup Center and Bank of America Plaza is back on the market looking for a job. His boss at the Pacific Design Center was just so hands on himself that he came to realize that he could run the place himself even if he was living in New York. Mark is a great guy and very, very good at large complex real estate management. Let help him find a spot!!!

How is **Friday, November 13<sup>th</sup> at 09:00 AM** Citigroup Center sound to everyone. I will even have Halloween treats for you.....

Steve:

I agree, the IWatch is being presented at LEAPS so we should hold off on it, however let's move forward with the RACR speaker. Please let me know as quickly as possible.

Good morning,

Ken, if you know someone at RACR and can book it, that is my vote. there will be a presentation in the iWatch at LEAPS this year, so I don't think that we should spend the time on that topic. Tom, what do you think.

Later,

Dear Friends and Colleagues:

For many of you this is budget session or close to it. As a quick reminder there are a number of organizations that need your attention.

The Los Angeles Central City Police Boosters, now in its 37th year of service, provides for those unfunded expenditures and unexpected needs of LAPD's Central Division police officers. From Mountain Bikes to surveillance equipment the Boosters are there. The Boosters also provide for the youth of the inner city. Much of what the Police Boosters do, revolves around our downtown youth. They provide after-school tutoring in math, english and other subjects with qualified Teachers. They fund the Juvenile Impact Program dealing with "at risk kids" and put them through a "Boot Camp" type environment while also working with the parents and teaching parenting skills to effectively deal with their children. Other sponsored programs include the Police Cadets, (formerly the Explorers) and Deputy Auxiliary Police, DAPS, grade school children who are in need of guidance to stay clear of gangs and drugs. These are successful programs that the Central City Police Boosters have developed and refined over the years producing extremely rewarding results.

Your membership in to this well established organization can start as low as \$150.00 per year. Your return on investment priceless. Go to [www.centralcityboosters.org](http://www.centralcityboosters.org) or call Officer Marie Kardiban (213) 972-1876.

Law Enforcement and Private Security conference, (LEAPS) now in its thirteenth year of providing training and education to both the private and public sectors. LEAPS has provided a forum for law enforcement and private security to learn from one another about how to collectively fight crime and provide for a safer city. It's working! Los Angeles is reporting some of the lowest crime rates in thirty-years.

LEAPS 2010 Conference is coming Friday, August 6th, 2010. This year's event will be held at the Sheraton Hotel, 711 Hope Street, Downtown Los Angeles.

Register on-line at; [leapsla.org](http://leapsla.org)

Add to your budget this year and extra \$200. to attend the conference and bring your number two with you. LEAPS is a 501 C6 Non-Profit organization. Better yet. become a sponsor and get involved.

HOPE FOR FIREFIGHTERS always held the first Thursday in June is now in its fourteenth year raising funds for LAFD's widows, orphans and disabled Firefighters. Over twenty-eight fire stations from all over the city come to Hope Street atop Bunker Hill in the Financial District of Los Angeles to cook their special "Firehouse Recipes" for the public. Corporations, financial institutions and law firms sponsor Muster Teams to compete in fireman muster events like the famous Hose Cart Pull, Bucket Brigade and Suit-up competition. Sponsors include US Bank, Coke a Cola, Ralph's, Go Country 105 FM and a host of others. Your firm's contribution to this 501 C3 Non-Profit Charity Event provides a great tax benefit, your firm's purchase of food tickets for their staff provides goodwill for their staff and should put you in the running for Boss of the Year Status. Want to really have fun become a team sponsor and get six of your employees to form a Muster Team and give your company some notoriety.

For more information on how you can become involved in this extremely fun and rewarding experience go to [www.hopeforfirefighters.org](http://www.hopeforfirefighters.org)

Downtown Security Manager's Association - last but not least is the DSMA. there are no dues or fees of any kind to join this organization the only thing we ask in return is that you actively attend the meetings. Over the past years we have had some noted speakers such as Gordon Graham, Chief Millage Peaks of LAFD, Chief Charlie Beck of LAPD, and others that have provided insight and valuable information as well as humor and entertainment.

The DSMA is one of the largest organizations of its kind in the nation. The networking and contact information this organization

provides is invaluable. There is a new relationship between law enforcement and private security born out of this organization. The results of working together can be clearly seen clearly in the crime statistics from LAPD. Crime has been down year after year after year. There is a synergy produced by working together to solve crime and quality of life issues that is working.

Join us on Wednesday, July 21st 2010 for our next meeting. The meeting will be held at the Bank of America Plaza, 333 S. Hope Street, LA, and begins at 9:00 AM. Members of the Anti Terrorist Division of LAPD's Major Crimes section will provide some never before heard information on what's really happening in LA when it comes to Terrorist investigations.

**Time:** 9:00 to 10:30 AM

**Location:** Bank of America Plaza  
Auditorium – Concourse Level  
333 South Hope Street  
Los Angeles, CA 90017

**Agenda:** Members of the Los Angeles Police Department's Anti Terrorist Division will provide a "behind the scenes" look at terrorist activity right here in Los Angeles. This is the real deal! Mark Severino and Dave Lott will change your thinking about how terrorist work. They will walk you through actual cases, some still under investigation. From obtaining California State Issued ID to obtaining bomb making material, and conventional weapons. These investigators will change your opinion of what is really going on in LA.

Good morning,

Just as a reminder, the monthly ASIS meeting will be deferred this month to accommodate and support the annual LEAPS conference. I am including that information below and if you would like to attend this fantastic conference, please use the website listed below to both register and pay.

Please do consider attending this conference coming up this Friday.

Thanks,

The LEAPSLA.ORG Website is now open for registration! Please go to [www.leapsla.org](http://www.leapsla.org) to register or follow the links below. If you would like to become a LEAPS Sponsor of this conference, sponsorships are still open. Click on the Sponsorship tab on the Home Page to download the form. We look forward to seeing you at this year's exciting conference.

The Los Angeles Police Department will once again host the Law Enforcement and Private Security Conference. The Conference will be held this year on Friday, August 6, 2010 at the Sheraton Los Angeles Downtown Hotel, 711 South Hope Street. This continues to be a successful conference due in part because of the involvement of corporate sponsorships. It is anticipated that the 11th Annual Conference will be attended by over 500 private security and law enforcement professionals, with more than half coming from the private sector in the capacity of security directors and managers.

The theme for the conference is **"Stopping Terrorism by Sharing Information"**. Our speakers will address how to work as a team to first share information electronically and then use it to stop Terrorism before it hits. As always, this seminar is an outstanding networking and partnership opportunity. As in the years past, this event is entirely funded by private donations. Tax-deductible sponsorship levels are available.

**Governor Arnold Schwarzenegger** has been invited to address the conference and will reaffirm the importance of partnerships

and sharing information.

Los Angeles Police Chief **Charlie Beck** will deliver opening remarks and discuss the importance of the private industry partnerships with LAPD. Los Angeles Mayor Antonio Villaraigosa has also been invited to discuss the value of the private industry partnerships with law enforcement.

**Mary Grady**, LAPD Public Information Director and recognized media journalist will open the Conference and introduce the day's events.

#### BREAKOUT SESSION TOPICS

---

##### **HOW LICENSE PLATE RECOGNITION (LPR) TECHNOLOGY CAN STOP TERRORISM**

This presentation outlines a case study on how Arden Fair Mall partnered with local law enforcement in their License Plate Reader program.

- *Steve Reed with The Macerich Company and Capt. Daniel Hahn from the Sacramento Police Department*

##### **HOW THE iWATCH PROCESS HELPS REPORT SUSPICIOUS ACTIVITY**

iWatch is a community program to help our neighborhood's stay safe from terrorist activities

- *Mary Grady Public Information Director for the Los Angeles Police Department*

##### **LOS ANGELES AREA ORGANIZED RETAIL CRIMES ASSOCIATION (LAAORCA)**

At this session the attendee will learn how LAORRCA members share high level intelligence with each other.

- *Detective III Kent Oda and Joe Larocca V.P. of the National Retail Federation*

#### SPONSORS / VENDORS

**Subject:** REMINDER OF NO ASIS MONTHLY MEETING

Good morning,

I just wanted to remind everyone that this month's ASIS GLAC meeting was replaced by the LEAPS conference last week. Our next meeting will be on September 21<sup>st</sup> at our regular meeting place – The Downtown Sheraton.

Our speaker for that meeting will be Tomer Benito from Synergy CTW LLC. Tomer has a very interesting background and one that we can all learn from. He was with the Israeli Army and served in some of their most demanding units. His background included the IDF's Paratrooper Brigade and the Elite Officers School Medical and Emergency Team. In 2002 he was assigned to LAX as an officer and expert profiler. During his service at LAX, Mr. Benito was part of the terrorist attack mitigation that occurred at the terminal in July 2002.

Currently, Tomer is a consultant and instructor and has developed training programs and initiatives that have been implemented by organizations worldwide. He is currently an instructor for DHS, the Science & Technology Directorate.

The topic will be 'Active Shooters & Booby Traps in a Public Venue'. The emphasis will be on communication. This will be an outstanding topic and presentation and I strongly suggest that you plan on attending this meeting. There will be more information in the coming weeks.

Thanks,

**Attachments:** AAA Ltr.pdf; PastedGraphic-1.tiff

Dear Friends, Sponsors and Supporters,

# BOMA

**Gordon Graham**

The Los Angeles Police Department will once again host the Law Enforcement and Private Security Conference. The Conference will be held this year on Friday, October 19, 2012 at the Biltmore Hotel, 506 South Grand Avenue, Los Angeles. This continues to be a successful conference due in part because of the involvement of corporate sponsorships. It is anticipated that the 13th Annual Conference will be attended by over 500 private security and law enforcement professionals, with more than half coming from the private sector in the capacity of Security Directors, Property Managers and Managers.

The theme for the conference is ***"Back to Basics - Then and Now"***. Our speakers, including our internationally renowned Keynote Speaker, **Gordon Graham**, will address the Public/Private Partnership and explore how these relationships have

changed in the last decade. Valuable "takeaways" will be sought including an attempt to match local law enforcement with their constituents in the private sector on a relevant geographical basis to foster a closer working relationship. There will also be a very interesting and informative static display by the LAPD Bomb Squad. As always, this seminar is an outstanding networking and partnership opportunity. As in the years past, this event is entirely funded by private donations. Tax-deductible sponsorship levels are available.

Los Angeles Police Chief **Charlie Beck** will deliver opening remarks and discuss the importance of the private industry partnerships with LAPD. Los Angeles Mayor **Antonio Villaraigosa** has also been invited to discuss the value of the private industry partnerships with law enforcement.

**Dennis Hathaway**, LEAPS Past President and Senior Executive with Securitas will open the Conference and introduce the day's events.

Hi Ken,

Here is the LEAPS information and how to sign up. I believe that you can send the check to the address on the trifold and then sign up the officers that will be attending. In order to save time and have the name tags pre-printed, we ask that you register all of the folks attending via the web site...

Thanks again for your support and please let me know if you have any questions.

Hi Ken,

Scott just asked me to forward the LEAPS information to you... I did so on 9-27, but maybe it didn't go through... please let me know that you got this...

Thanks,

The Los Angeles Police Department will once again host the Law Enforcement and Private Security Conference. The Conference will be held this year on Friday, October 19, 2012 at the Biltmore Hotel at 506 South Grand Avenue, Los Angeles, California.

This continues to be a successful conference due in part because of the involvement of corporate sponsorships. It is anticipated that the 13th Annual Conference will be attended by over 500 private security and law enforcement professionals, with more than half coming from the private sector in the capacity of security directors and managers.

The theme for the conference is *"Back to Basics - Then and Now."* Our speakers will address the collaboration between the public and private sector to improve safety and protect our constituencies. As always, this seminar is an outstanding networking and partnership opportunity. As in the years past, this event is entirely funded by private donations. Tax-deductible sponsorship levels are available.

I will be out of the office for the next couple of days, possibly the remainder of the week. Randall is ultimately in charge if anything major should happen. Javier I need you to be at the office 8-5 on a daily basis while I am out. Jennifer is there to help you guys through Thursday. Ron is responsible for the day to day stuff, talk to him about anything that may need to go to Randall. Ron, if you have questions call me, I will be available via cell.

The short of what is going on is that there was a major screw up at the hospital that we found out about today that occurred six years ago. The implications being that it could of cost my mom 6 years of her life, so as you can imagine I am a little stressed out. I don't want to have to worry about what is going on at the office, so please make sure you are on top of things and curb the problems before Randall finds them. Thanks for your support and for keeping it together there while I am out.

Javier – there is a CCA meeting tomorrow morning and 8:00 AM, please have a couple of guys standing by 1 in the lobby of the building and 1 outside of the elevators on the second floor for the duration of that meeting. Also Friday is LEAPS so make sure that is all taken care of, Jennifer has the details for that.

Thanks again for all of your help.
